Attached are the timetables for these for your reference. The first attachments are the times of the Wildcat Route and the stop during the weekdays. The second is the Wildcat Route times and stops for Saturday. The third includes the Marion-Carbondale timetable Monday-Saturday (which includes the essential jobs and large employer route) Yellow highlights indicate the time points. The stops not highlighted in yellow mean there could be some minor fluctuation.

If someone cannot access a stop, riders call the local operation center at **618-993-1900** to arrange door-to-door transportation. RMTD also has buses running before and after these fixed route times listed with our buses that deviate.

We are very excited about this new pilot project and plan to do all we can to market and promote the new route. We can only pursue additional stops and routes through our partner RMTD if this initial offering is successful! Thank you so much for your attention and support!
