On or about at least one day after the end of the comment period the City of Marion will authorize the City of Marion Housing Authority to submit a request to the U.S. Department of Housing and Urban Development (HUD) for the release of (11) Section 8 Project-Based Vouchers, under Section 8(o)(13) of the U.S. Housing Act of 1937 [42 U.S.C. 1437f (o)(13)], to undertake a project known as Concord Villas, located near West Concord Street and Midway Court, Marion, Illinois for the purpose of constructing an affordable housing community.

The project consists of proposed new construction of a 41-unit development located in Marion, Williamson County, Illinois. Each of the 41 units will be considered affordable housing and will be situated within an existing residential neighborhood in seven (7) duplex buildings and twenty-seven (27) three-bedroom single-family homes. There will be thirty (30) units targeted for households making 60% of the Area Median Income (AMI), four (4) units directed to those making 50% AMI, and seven (7) units targeted for households making 30% AMI. The eleven (11) units targeted to those make 30 and 50% AMI will additionally operate with a Project-Based Voucher subsidy. The unit mix will consist of eleven (11) two-bedroom units and thirty (30) three-bedroom units. The proposed project will be pursuing the NGBS Siler + Zero Energy path, with units equipped with refrigerator, central A/C, stove with range, and washer dryer hookups.

The Request for Release of Funds is proposed for the City of Marion Housing Authority for the (11) Project-Based Vouchers at an estimated value of \$971,100. Additional financing for this project includes Federal Low Income Housing Tax Credit (LIHTC) equity. Total project cost is \$17,000,000.
